

READ OLL & PROGRAM

GET
KIDS
TO READ
AND
HAVE FUN
TOO!

WHAT IT IS

In an effort to encourage children to read, we have developed the "Read & Roll" Program. The bookmark enclosed was designed to be used as a book tracker for both children and their local libraries.

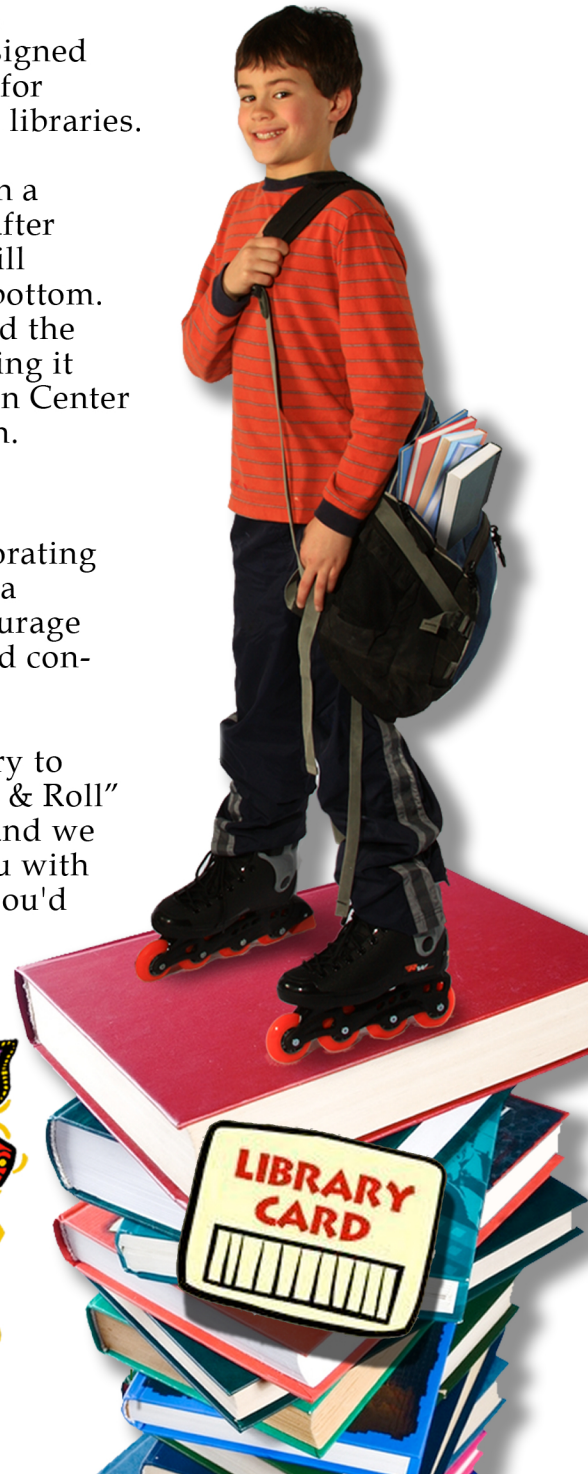

The children will write down a book that they've read and after reading five, the librarian will confirm this by signing the bottom. After the child has completed the bookmark, he or she may bring it in to the Carousel Family Fun Center to receive one free admission.

HOW TO JOIN

It is our hope that by collaborating with your library and using a reward system, we can encourage children to enjoy reading and consequently do more of it.

If you would like your library to participate in our "Read & Roll" Program, please contact us and we will be happy to provide you with however many bookmarks you'd like for FREE!

ALL I HAVE TO DO IS READ FIVE BOOKS AND I GET TO SKATE AT CAROUSEL FOR FREE? THAT'S PRETTY COOL!
